AD COPY PREPARATION: Camera-ready ads are required. Some ad copy can be set up in-house at a set-up fee of \$50 per hour with a \$50 minimum charge. Minimum requirement is laser-printed copy for black-and-white text-only ads. We cannot guarantee the reproduction quality of laser-printed photographs, therefore no refunds will be given on such ads. Typewritten, dot-matrix printer, and ink-jet printer ad copy is NOT accepted. Professionally prepared ads are preferred and should be screened at 133 lines per inch for black-and-white (150 lines per inch for color ads). Ad sizes that do not conform to predefined measurements will be charged a 25 percent surcharge.

DIGITAL ADS: We suggest PC-formatted .tif images. All digital ads must be at least 300 dpi and converted to CMYK format if they are color. Formats such as .jpg and .pdf will usually produce acceptable results, but are less reliable than .tif.

AD PLACEMENT: *FRONT SIGHT* does not guarantee that ads will be placed on a particular page or position within the magazine.

PRE-PAY DISCOUNT: Advertisers may take a 10 percent discount if payments are submitted by the material due date for each issue (See other side). VISA/MasterCard accepted.

LATE CHARGE: Ads received after the material due date will be charged a late fee of \$25. Ads received after the deadline may be refused at our discretion.
